

# Expert Edition veranda

## EXTRA SOLID GUTTER

### An open view, the special benefit of the Expert Edition veranda!

The Expert Edition may be an alternative model from the Legend Edition, but with a thicker and more solid gutter. This stronger gutter supports wider verandas on only two posts. The Expert Edition is also often used by additional frontal and side walls installation.

**Optimal view**  
*with a veranda on only two posts*

### An Expert Edition veranda includes:

- 3 standard optional colours: White (RAL 9016), Cream white (RAL 9001) or Anthracite grey with texture (RAL 7016)
- 16 mm thick Polycarbonate GD Clear or GD Opal
- Standard gutter profile
- Extra strong gutter
- 20 standard veranda sizes
- Statistical calculation
